Subject: Please send to your employees today re: earthquake exercise.

Public Information Officers: Please distribute this message to your Helena-based employees. We are trying to be sure that all employees are aware of the Vigilant Guard exercise going on in the area next week.

Helena area state employees:

All employees need to be aware that several agencies on the Capitol Complex will be participating in an earthquake simulation exercise September 15-17, 2009. This exercise is part of the Vigilant Guard 2009 exercise going on involving federal, state and local governments, as well as private industry, volunteer organizations and local medical facilities.

Over the course of the three days, employees will see many of our Capitol Complex buildings evacuated, including simulated medical incidents. These evacuations are part of the exercise.

On Tuesday, September 15, 2009, you will receive an email notifying you of a new resource that the Department of Administration will be using to keep you informed on the status of emergencies on the Capitol Complex. Watch for this e-mail.

If you have any questions concerning this exercise, please call General Services Division at 444-3060.

Sheryl Olson, Deputy Director

Department of Administration

406-444-3307
